SIR,

I have the honour to state that the Government of India have approved of the proposal that all original references forwarding documents for examination by the Government Expert in Handwriting should, in future, be addressed to the Director, Criminal Intelligence, instead of direct to the Expert, as heretofore, and I would accordingly request that instructions to this effect may be issued.

2. It has been found that the calls upon the Government Expert have become so numerous that he is not able to deal satisfactorily with all the references submitted to him for opinion, and it is proposed, therefore to reduce his work by the elimination of cases which are clearly of an unimportant

nature, or in which the material is insufficient to permit of an opinion of any value being formed. The Government Expert's report will, in all cases, be submitted to the Director, Criminal Intelligence, by whom it will be forwarded to the officer who originated the reference. Intermediate references and all requisitions and summonses for court attendances under rules 15, 16, 17, 18, 19, 20, 21, 22, and 23 of the "Instructions for the guidance of Police and other officers in sending documents for examination by the Government Expert in Handwriting", should be disposed of; as hitherto, by direct communication with the Government Expert.

3. In this connection, I have the honour to state that, in March 1913, the Government of Bihar and Orissa issued instructions to the effect that owing to the delays and difficulties that had arisen from time to time in securing the attendance of the Expert in criminal cases, it was highly desirable that the authority of Courts to issue summons for his appearance should be exercised with due discrimination. It was also stated that the Expert should not be called upon to appear in cases which are of a comparatively unimportant nature, or in which it is probable his evidence would be of doubtful utility. They accordingly directed that no summons to give evidence should be issued to the Expert by any Subordinate Magisterial Court without the concurrence of the District Magistrate previously obtained in each case, and I am to request that, if there be no objection, orders on similar lines may be issued to magisterial officers under your jurisdiction.

I have the honour to be,
